## FEEDBACK EVALUATION COMMITTEE ANNUAL REPORT 2022 -

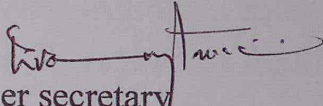

Feedback Evaluation Committee, is a committee which formed by the IQAC of the College to deal with the feedback collected from the various stake holders of the college viz. students, teachers, alumni, parents, and employers at least once in a year. The feedback is needed so as to enable the Principal as a leader and his team as a whole to evaluate the progress of the institution. By knowing the furtherance of the institution and even the hindrance in its path if exist, the Principal would be able to bring some change or modification in and around as needed for the overall improvement. It is also very needful for the teacher to evaluate the effectiveness of the pedagogy being used in teaching-learning process so that he/she would know if to continue with, or to replace it if needed.

In order to get some of those needful information, this time the committee has distributed feedback forms to alumni in a random manner and had also collect the same. The feedbacks had been evaluated and also analysed.
