COLLEGE PROFILE

Jaintia Eastern College, affectionately known as "the People College," stands as the foremost educational institution in the easternmost region of Meghalaya. Affiliated with North Eastern Hill University (NEHU), Shillong. The College is recognized under sections 2(f) and 12(B) of the UGC Act 1956 and was reaccredited with Grade 'B' by NAAC in 2021.

The Internal Quality Assurance Cell (IQAC) under the leadership of a senior Assistant Professor was established to continually enhance the quality of education and monitoring of the teaching-learning process.

The genesis of Jaintia Eastern College traces back to a pivotal meeting on June 16, 1992, held at Moowakhu, Dkhiah, chaired by the late Rev Tiplang Dkhar, then President of the Society for Higher Education. Attended by notable figures including the late Rev S.W. Lyngdoh, then Secretary of the Society for Higher Education, parents, well-wishers, and prominent citizens of the region, the meeting deliberated on the feasibility of establishing a college in Khliehriat. It culminated in the resolution to establish 'Jaintia Eastern College'.

Commencing initially with Pre-University courses in Arts under the leadership of Dr. Phervision Nongtdu as the founding Principal, the college progressively expanded. It attained the status of offering Bachelor Degrees in Arts and Commerce in 1993 and 2011, respectively, and holds permanent affiliation with North Eastern Hills University, Shillong. The formal inauguration took place on October 23, 1992, with Shri. O.L. Nongtdu, then Home Minister of the Government of Meghalaya, presiding over the ceremony.

With implementation of National Education Policy (NEP) 2020, unveiled by the Government of India in July 2020, which serves as a comprehensive blueprint for the future of the country's education sector, the college adopted the same as per guidelines and frameworks prepared by the affiliating university for undergraduate and postgraduate courses.

In a testament to its commitment to inclusive education, the College has introduced skill-based courses in Beauty Care, DTP, Event Management, and Retail Management, along with short-term courses such as Electrical Wiring and Tourism and Travel under the PRIME Start-Up initiative, with the aim of providing opportunities for economically disadvantaged students.
