**Agenda:**

1. To discuss on the Inclusive Education in the College

**Discussion**

The meeting of the cell discussed the importance of adopting and strengthening Inclusive Education practices in the college to ensure equity, access, and participation for all learners. Members also highlighted the need to uphold non-discrimination, ensuring that no learner is excluded on the grounds of disability, caste, gender, religion, or economic status.

The discussion further stressed the importance of extension of existing ramps, including fixation of lift, accessible toilets and necessary support students with physical challenges. The meeting also deliberated on the need for flexible teaching methodologies, encouraging faculty members to adopt varied instructional strategies to address diverse learning needs and styles.

Members discussed the importance of providing support services such as counselling, remedial coaching, mentoring and access to resource persons was also highlighted to ensure that every student receives adequate academic and emotional support to achieve their full potential.

After detailed deliberation, the following resolution was proposed.

## **Resolution**
