Report February 2023-September 2023

1. Meeting with village representative and household survey

1	Title of the Activity	Meeting with village representative and household survey
2	Date	11 th March 2023
3	Venue	Narwan
4	Organiser	UBA Cell, JEC
5	Participants	40

About the programme:

The coordinator, Dr. Ferrando Lyngdoh Nonglait along with Sir. Jamphrang Lyngdoh and the students' volunteers went to Narwan village on 11th March 2023 and first met with the representatives of the village to familiarize them about the goal and objectives of Unnat Bharat Abhiyan and the benefits of working together. After familiarizing the village representative with regard to UBA and after gaining their permission, the volunteers start conducting the home visit and survey of the village household. They split into different groups and went into different direction. The volunteers were encountering challenges as most household do not have exact information on their land holding and also because some families were unwilling to disclosed information. A total of more than 100 household survey form were completed. The coordinator also conducted the village survey on this day by asking the questions from the village survey form to the village headman. Some information could be easily disclosed by the village headman, however there are also questions where the village headman does not have information.
