EDUCATION DEPARTMENT ACTION PLAN 2016-17

The Education Department had conducted its meeting on the month of Feb-04 2016 to plan for the resolution to be taken in the session 2016-17. The following are the minutes that the Department had planned:-

- 1. Based on the result of the 1st Semester 2015which gave a pass percentage of only 45.23% to the Department, the Department had been decided to find ways and means to improve the performance of the2nd Semester 2016 by applying the following resolutions:-
- a) Besides two regular sessional test, all the teachers should try their best to find time for conducting one each more test so as to improve reading habits amongst students.
- b) Group discussion class also to be conducted by each teacher in order to improve the thinking ability and imagination power of the students.
- 2. As usual, no class should be left without taking by any teacher. In case any respective teacher could not take class because of one reason or the other she should inform beforehand so as to enable for the re-arrangement or may request the available colleague for help. Mutual understanding should be maintained as usual so as to left no stone unturned.
- 3. Assignment should be given only one by each teacher. The total numbers of students are to be divided among all the teachers in roll.nos wisely.
- 4. Each teacher should conduct one test for annual degree students both General and Honours.
- 5. As to improve the performance and to increase the vocabulary capacity of the students, Group Discussion should be conducted for the Class XII students as well, considering them to be the offshoot of the Degree standard. All teachers should try to find time for this.

Action plan for the Session 2018-2019

The Department of Sociology during the 21st meeting held on the 26th April, 2018 has proposed the following action plan to be taken during the session 2018-2019:-

- To improve the teaching mechanism by using LCDs so as to improve the mode of understanding and allow the teacher to interact with students better.
 Also, to provide more entertaining ways to teach and get their lessons objectives and facts across.
- 2. To request the Principal to pave a way for the faculty members to attend the orientation course, refresher course, etc. so as to improve the competency of the faculty members.
- 3. To organize seminar for the students of the Department so as to adapt them for future study and paper presentation.
- 4. To commemorate and observe the 1st year anniversary of the Department Foundation Day.
- 5. To organize an educational tour for the students to broaden their perception on the society and its activities.
- 6. Since the students are very weak so we are going to organize a one day programme for developing their Reading Comprehension skills etc.
